Missouri Scholars 100 - A Celebration of Learning

The Academic Decathlon

To be eligible for entry in the Missouri Scholars 100 Program, the student must meet all the requirements of the Academic Decathlon. The school principal must verify that the student meets the qualifications.

- Event #1.** The student must have scored 29 points or higher on the ACT (Do not include optional ACT writing score.) or 1900 or higher on the SAT.
- Event #2.** The student must have a cumulative grade point average of 3.750 or higher over seven semesters based on a 4.00 scale. Grades may not be weighted. Do not use +'s or -'s.
- Event #3.** The student must rank in the upper ten percent of the senior class. To determine the top ten percent, round class enrollment up to next number evenly divisible by ten (i.e. 32 to 40; must rank in top four).
- Event #4.** The student must have earned at least one unit of credit, or be currently enrolled and passing in one unit of credit, in a mathematics course certified by the principal as "upper, honors or advanced placement" level, such as trigonometry, math analysis, college algebra, or calculus.
- Event #5.** The student must have earned at least one unit of credit, or be currently enrolled and passing in one unit of credit, in a science course certified by the principal as "upper, honors or advanced placement" level, such as Physics, Chemistry II, or Biology II.
- Event #6.** The student must have earned at least one unit of credit, or be currently enrolled and passing in one unit of credit, in an English course certified by the principal as "upper, honors or advanced placement" level, such as Senior English or College Composition.
- Event #7.** The student must have earned at least two units of credit, or be currently enrolled and passing in courses that will accumulate to two units of credit, in foreign language(s). (Schools that do not offer foreign language may appeal for an exemption.)
- Event #8.** The student must have exemplary attendance and must not have been absent for more than a total of twenty days in grades nine through twelve, regardless of the reason, except for school excused activities. One instance of extended illness may be excluded.
- Event #9.** The student must be an exemplary school citizen.
- Event #10.** The student must have
- A. served, or be currently serving, as an officer in a school organization, class, or club, at the level of vice-president or president, OR
 - B. earned a school letter, other than an academic letter, equivalent to the varsity level, in any activity for which school letters are awarded, AND
 - C. participated in a community service project(s) to which a significant amount of personal time was committed.

NOMINATION AND SELECTION FORMULA (Example)

1.	Grade Point Average	4.0 multiplied by 250	=	1000.000
2.	SAT score Or ACT score	divided by 2.4 (prior to 2017) or 1.6 (Beginning in 2017) 34 multiplied by 27.778	=	944.452
	Total score			1944.452

Dear Missouri 100 Scholar,

On behalf of the Missouri Association of Secondary School Principals, I would like to welcome you and your family to this significant celebration. You have distinguished yourself as Missouri's most exceptional high school scholar. Make no mistake; this distinction did not come without hard work, dedication, sacrifice, and a supportive family. Take it all in. You have made everyone around you incredibly proud.

Life in high school is not easy. It is often challenging to find ways to balance activities, family, homework, exam prep, and the academic demands of being a high performing student. Somewhere in the chaos, you have to find time for yourself. You have not only mastered this balance, but you have also made noteworthy contributions to your community as well.

Walt Disney once said, "All our dreams can come true if we have the courage to pursue them." I can only imagine the dreams you have in store for us. Your potential is limitless.

The state of Missouri is blessed to have you representing us. Enjoy this special day. It is your day. "Do not go where the path may lead, go instead where there is no path and leave a trail," Ralph Waldo Emerson.

We believe in you and your promise. You ARE one of Missouri's shining stars.

Respectfully,

Ed Gettemeier

*The vision of MoASSP is to serve ALL middle level and high school administrators.
The mission of MoASSP is to improve secondary education through positive
leadership and the enhancement of student performance.*

Dear Missouri Scholar:

On behalf of the Missouri State Board of Education and the Department of Elementary and Secondary Education, I commend you for your selection as a member of the distinguished Missouri Scholars 100 Class of 2019. You, your family, and your school can be proud of this award in recognition of your superior academic accomplishments.

The Department of Elementary and Secondary Education is honored to support the *Missouri Scholars 100* Class and to recognize you as elite high school leaders.

You are well prepared for the next stage of your education and the next phase of your life. Be confident and dream boldly!

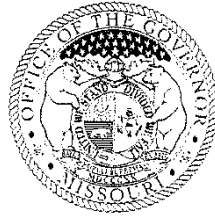

Congratulations on this outstanding achievement!

Sincerely,

A handwritten signature in black ink that reads "Margie Vandeven". The signature is written in a cursive style.

Michael L. Parson

GOVERNOR
STATE OF MISSOURI

April 23, 2019

Dear Missouri 100 Scholars:

Greetings from the Governor's Office!

On behalf of all Missourians, I congratulate you on your recognition among Missouri's top one hundred students. For more than 20 years, the Missouri Association of Secondary School Principals has sponsored the Missouri Scholars 100 Program to honor the best and brightest across our great state. You have earned the right to be proud of your achievements in the classroom and throughout your communities.

The tenth and final qualification for the Missouri Scholars 100 Program's Academic Decathlon weighs a student's service or sportsmanship outside of the classroom. True leadership demands more than book knowledge. As a Missouri 100 Scholar, you have learned the skills it takes to achieve success in any area of life. My advice to you is the same I give my own grandchildren; anything is possible if you work hard at it and have the faith to believe.

Again, congratulations on this incredible academic honor. I know the skills you have developed throughout high school will serve you well, and I look forward to seeing what you each accomplish in the years ahead.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael L. Parson", written in a cursive style.
